

Kelly Martinez

Executive Vice President

Kelly co-founded ePost Global leveraging her 30+ years of experience in the international shipping and mailing industry. Under Kelly's leadership, ePost has grown to over 150 employees across three locations and is the largest privately held international shipping provider in the U.S.

Helaine Rich

Strategic Channel Sales Manager

As the leader of ePost's eCommerce Channel solution, Helaine focuses on ensuring U.S. brands can ship internationally through ePost via any marketplace platform. Helaine has over 25 years of experience leading dynamic, cross-functional teams and focuses on developing strategic partnerships and solutions for national accounts.

Kathleen Krum

National Account Manager

Kathleen is instrumental in maintaining ePost's international mail service volume and growing ePost's ecommerce beauty and healthcare channel. Kathleen has been with ePost since its inception and played a vital role helping the company leverage its international mailing knowledge to expand into the ecommerce industry.

Tracy Parry

National Account Manager

Tracy is a 30-year veteran of the international shipping and mailing industry who also plays an important

as board member on the USPS Postal Customer Council. Through Tracy's in-depth knowledge of international package requirements, ePost is able to identify flexible, customized solutions for its customers in any industry.

Barb Rausch

National Account Manager

In addition to direct mail and domestic services, Barb has experience in ePost's subscription box channel. Barb has worked with ePost for 15 years and began her career within the customer service team. As a leader on the business development team, Barb focuses on providing best-in-class customer experience and problem solving international shipping complexities.

Alison Layfield

Director of Product Development

Alison's expertise in Canadian mail and parcel shipping has helped her become an international expert in all logistical aspects of global cross-border parcel shipping and technology solutions.

Deb Deakin

Product Specialist

Deb leverages 28 years of experience to improve processes and streamline operations for companies in the UK, EU and US. As an expert in international logistics regulations, Deb keeps ePost abreast of all overseas developments that may impact our business and client base.

Karen Wagner

National Account Manager

Karen has expertise in ePost's consumer apparel channel in addition to supporting non-profit customers. Karen has been part of the ePost team since its inception. She is recognized as a Gold member by USPS and utilizes this status to offer her clients economical and quality service.

Mary Rivera

Director of Human Resources

With over 20 years in Logistics and Operations within the ecommerce and retail industries, Mary leads ePost's recruiting and talent management efforts while building effective teams for ePost Global.

Susan Wilson

Regional Sales Manager

With over 35 years of experience, Susan is a veteran of the international shipping industry. Susan's diverse customer base that includes government, direct mail and consumer product companies provides ePost with depth and range of expertise.

Julie Martin

E-Retail Account Manager

Julie is an integral member of ePost's sales initiatives. Supporting a variety of customized consumer product clients, Julie performs a holistic assessment before matching her customers with the best international shipping options to achieve their growth goals.
